Jonesport Veteran's War Memorial Committee

Dear Friends,

It is an honor to recognize this memorial to the veterans of Jonesport. Today, we celebrate not only the brave men and women who have served our nation, but also the enduring symbol under which they served, our American flag.

On June 14, 1777, our founders adopted the Stars and Stripes as the emblem of a new nation. Since that day, the flag has stood for unity, courage, and the enduring promise of freedom. This memorial, built through the care and generosity of the Jonesport community, now stands beneath that same flag. It is a powerful reminder that liberty has always been secured by those willing to serve, and by communities committed to remembering them.

To our veterans and their families, and to everyone who made this memorial possible, thank you. May this place, dedicated on Flag Day, continue to inspire reverence, reflection, and national pride for generations to come.

Sincerely,

Susan M. Collins
